In this tutorial, we are going to familiarize ourselves with the MARTE Profile.
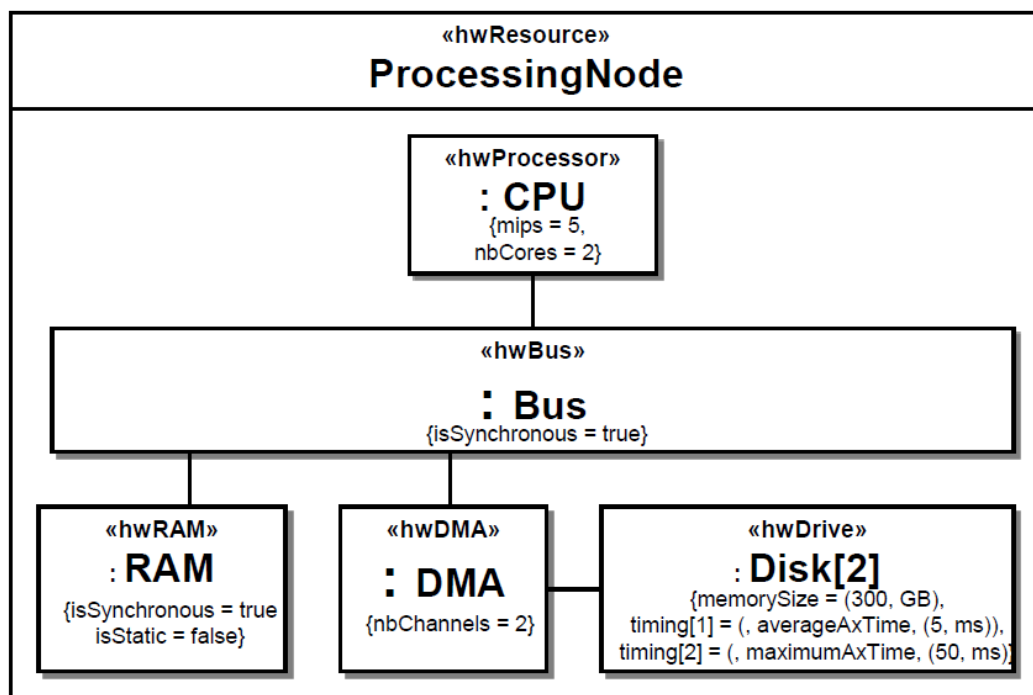

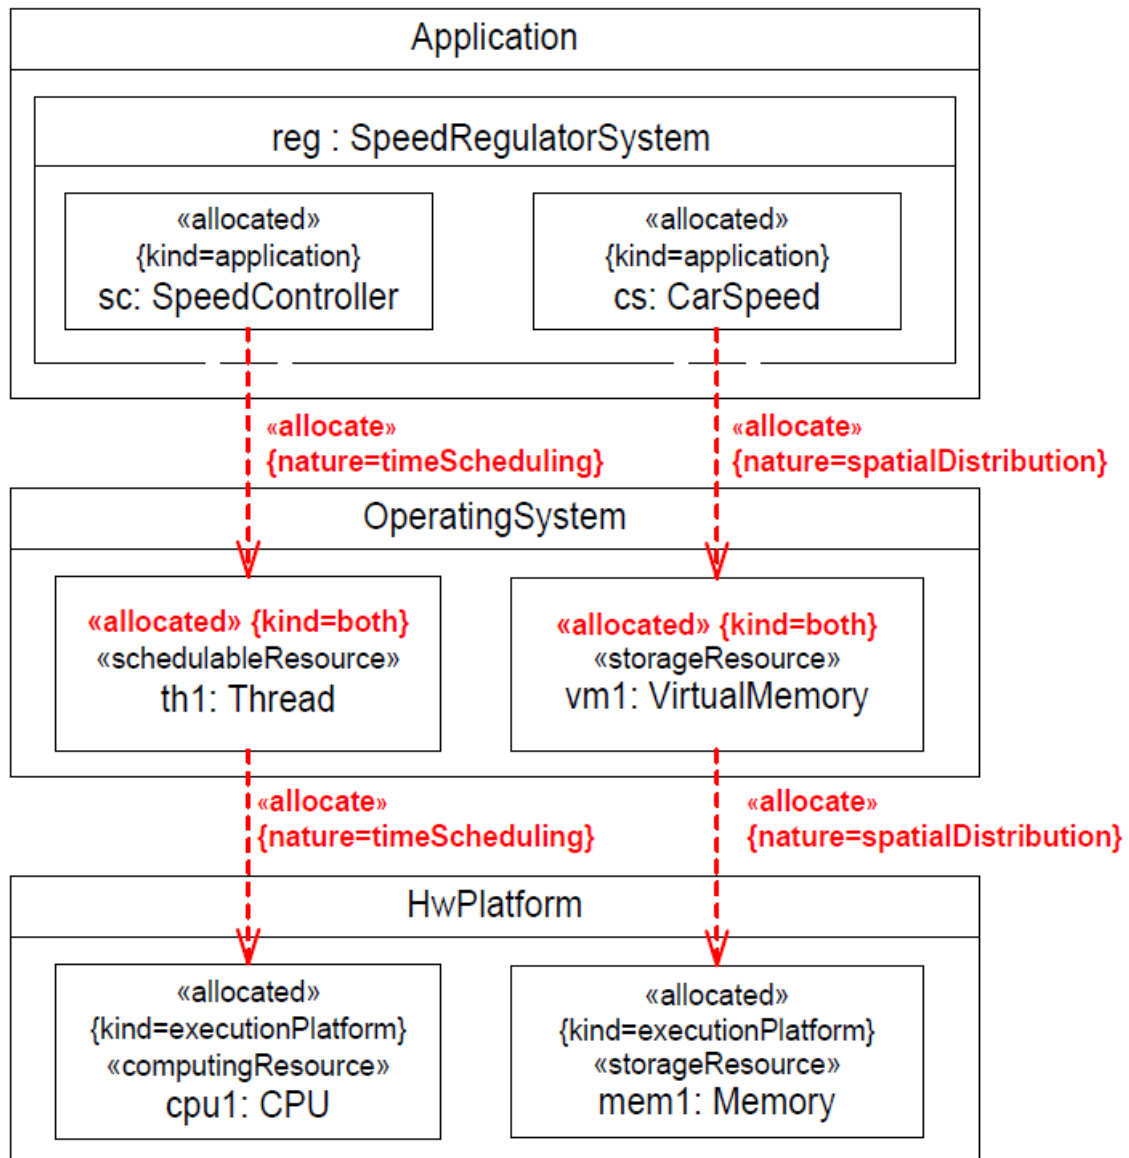

Design With MARTE

Objectives:

- Model An example of a HwPlatform with MARTE
- Model An example of Allocation with MARTE

Exercises:

Please read carefully the MARTE.pdf file available in the git repository https://github.com/asmasmaoui/INSTN_2024_2025/tree/master/B5 and provide a Papyrus Project with these two types of diagrams:

You have to guess which type of diagram you should create to be able to apply the MARTE Stereotypes.
